# Toll System needs to be Transparent

## GVW Increase Will Eventually Benefit Customers

- Ashok Goyal, MD – BLR Logistiks (I) Ltd.

**A**shok Goyal and BLR Logistiks are well known names in the road transport industry. He is one of the few success stories in the transport industry who started off as a traditional transport company and went to become one of the leading logistics service providers in the country. He is also one of the early ones to rebrand and re-image his company. He not just transformed the name of the company from Bombay Ludhiana Roadways to BLR Logistiks, but made sure that the name change also reflected far deeper changes in the organisation. Incidentally BLR Logistiks is the first logistics in the company to get equity funding.

Born in Haryana on June 05, 1963, Ashok Goyal had decided to join his father's transport business while he was still in school. Ashok is a Commerce Graduate from the prestigious NM College in Mumbai. Ashok started his
